Dear Mr Giannopoulos

At this time of the year, we reflect, not only on our achievements but also on the organisations who, through their generosity and love of children, have made our successes possible.

In the words of our Founder, Mr Nelson Mandela,

"There is no keener revelation of society's soul than the way in which it changes the way it treats its children".

Judging by the support received from organisations such as yours, the soul of South African Business is where it should be – with its children.

On behalf of the Trustees, Management and staff of the Nelson Mandela Children's Fund, I would like to wish you well over the Festive Season and to thank you most sincerely for the contribution you have made towards our organisation over the past year and I look forward to your continued support during 2005.

Yours sincerely
